Assets

Open to relocation

Flexible, accurate & social

Sharp, creative and analytical mind

Self-driven mindset

Ibrahim Ibrahim

Highly motivated and detail-oriented second-year computer science student seeking an intern position. Proficient in various programming languages, with a self-starter mentality and strong teamwork skills.

Education

- Bachelor of Science in Computer Science in English
Since September 2021 **University Of Pécs** Pécs, Hungary
- English courses
From September 2020 to June 2021 **MALI & AMIDEAST Institute** Taiz, Yemen
Studied various English courses throughout the year.
These helped improve my command of English language including listening, writing, and reading.
- High School Diploma
From September 2017 to June 2020 **Al-Wahdah Mahrass** Taiz - Yemen
 - Ranked first in the country with a 100% average.
 - Highly excelled in different subjects demonstrating an in-depth knowledge and the ability to critically think and analyses various problems.

Work experience

- Stipendium Hungaricum Mentor
Since July 2022 **Stipendium Hungaricum Mentor Network** Pécs, Hungary
Welcomed international students to the university and provided up-to-date information about their studies and administrative tasks.
 - Demonstrated good organization skills and the ability to plan ahead for 10-15 students
 - Demonstrated high adaptability and the ability to find alternative solutions
 - Proven ability to meet deadlines and handle multiple tasks simultaneously
- Youth worker
From July 2022 to September 2022 **BRITISH AMERICAN TOBACCO HUNGARY** Pécs, Hungary
- Tutor
From September 2020 to December 2020 **Al-Wahdah Mahrass School**, Taiz - Yemen
Due to my exceptional high school performance and the lack of teachers in my country, I was selected to carry out some volunteering to tutor high school students in the following subjects:
 - Mathematics
 - Physics

Skills

Programming languages:

- Experienced with a range of programming languages, including PHP, JavaScript, HTML5, CSS3, Python, and SQL.
